“

“Wow, what a fantastic walking holiday, the best we have taken. The routes were easy to follow and up-to-date, the packed lunches and meals at Le Moulin amazing, and the hosts Sarah and Vince went out of their way to make us part of their family, even trusting us to take their wonderful dogs with us on several occasions. Particularly enjoyed the Green Venice that was a stunning day out and we've already booked for 2026. There is so much to see and do here.”
